

# Event Name: Find the Answers

---

## **Event Description:-**

- This will be an offline event but it will be available only for 3 hours (12:00 pm to 3:00 pm) on the day of the event.
- A quiz will be shared to the students on their registered mail ID.
- The quiz will be divided into many different sections. Each section will have 3-5 questions.
- Participants will face puzzles, questions based on verbal reasoning, numeric reasoning, etc.
- Level of the questions will be as low as 8<sup>th</sup> standard, so while solving the examples participants will enjoy it.

## **Event Rules:-**

- Quiz will be accepting the response once and only once using the registered ID.
- Responses to the quiz platform will be accepted from 12:00 pm to 3:00 pm only.
- If participant is using any other email id other than the registered email id than they will be disqualified.

## **Judging Criteria:-**

- Winners will be selected on the basis of their score and their submitting time. The one who gives maximum correct answer in minimum time will be declared as winner.
- If more than one participant gets same score as well as time (i. e. it is a tie) then they will have to share their prizes.
