Event Name: Expedition 2.0 A Virtual Hunt

Event Description:-

1. A dedicated website which contains questions to be solved .
2. Login system for each team.
3. Certain round containing certain levels
4. Each level contains a main question, the answer of which will lead the player to another location i.e. Google sheets, drive; YouTube channel, dedicated video, Insta handles etc.
5. This location contains a clue to next locations and the answer of the last location is entered as a main answer in the website which will end a particular level.
6. The same goes for every other level and the answer of the last level concludes the particular round.

Event Rules:-

1. A mail will be sent for the joining details and process of the game and also one whatsapp group will be formed for group leaders of each team for ease in communication.
2. There should be at least 3 and at most 5 members in a team.
3. Your team will be identified with the team code/id provided to you. So make sure it remains safe with your team.
4. A participant should not be a part of more than 1 team, if duplication of ID or anything is found, the whole team will be disqualified.
5. Only the team leader will submit the answers of given riddles. (if the team leader is not able to do it due to any severe issue, only then it is requested that only one of the other members submit answers)
6. Submit only 1 answer per team and that answer will be considered as your final answer; submission of more than 1 answer will lead to disqualification.
7. Participation certificate will be provided ONLY if you play the game.
8. Winners will be given winner's certificate and prize money. (They will receive winner's certificate instead of participation certificate)
9. Prize money will be delivered through online payment so make sure you are available with that option.
10. No queries regarding slow internet or any such baseless arguments will be entertained.
11. Teams qualified for next round and further details for it will be notified through mail.
12. Violation of rules during the game, ill behaviour or misconduct, misuse of our resources will lead to disqualification of the team and no argument will be entertained after this.

13. Make sure you check your mailbox regularly as everything will be conveyed through it.

Judging Criteria:-

- The team which successfully find the answer following all the rules is the winner of the round and are considered for the next round.
- If two or more team successfully completes the final round then in that case timestamp is considered to decide the winner among them.
- Timestamps are considered for judging the team in each round for prevention of cheating during online event.

NOTE: After individual registration and paying fees for the event group leader is required to do the team formation for the event via Google form as this is the group event. There should be at least 3 and at most 5 members in a team. Link for team registration is mentioned below:
