Event Name: Classic Sudoku

Event Description:-

Total 2 rounds will be held of Classic Sudoku.

Round 1 : All participants will have to play which will be an easy level. 5 participants will be selected for round 2 on the basis of time and correct solution.

Round 2: Selected participants will appear in this round which will be of difficult level. Out of 5 participants, top 3 participants will be the winners.

Event Rules:-

1. Correct solution will carry 5 points and incorrect will carry 0.
2. If more than one will be able to solve in the given time than minimum time will be considered and the winner will be announced.

Judging Criteria:-

● Out of all participants, top 5 will be selected on the basis of correct solutions and minimum time taken.
● Again same criteria for selected 5 participants for round 2.
● Top 3 will be the winners, once again on the basis of minimum time and correct solutions.
